Instructions for filling out the application form for student day care

1. Ownership

The Student Welfare Organization in Bergen (SiBs) nursery consists of Blokksberg kindergarten, Bortigard kindergarten, Fantoft Gård kindergarten, Jekteviken kindergarten, Oppigard kindergarten, Nerigard kindergarten. In addition, SiB operational responsibility for Fagertun kindergarten, which is owned by the University of Bergen. It has its own statutes for the kindergarten.

2. Application

Kindergartens have an annual application deadline of 1 March. The application applies for the following academic year. It is an opportunity to apply for a kindergarten at other times of the year, the application will be processed with supplementary admission during the year.

In addition, you must sign the application electronically on the City of Bergen's pages. Instructions and forms can be found on our site www.sib.no

3. Documentation

Applicants must document that they are full-time students at university or college that is affiliated with SiB, and that they have paid the semester fee. It is taken in regard to the documented information about the credits.

If you apply before you have received confirmation of admission, documentation must be sent for. The documentation must be labeled with the main applicant and the child's name and birth date.

If you are in the priority group, you must document this, and the documentation must not be older than 3 months.

4. Admission Circuit and admission criteria for priority applicants

Primary recording circuit are students who pay the semester fee to SiB.

Secondary recording circuit is students and staff at educational institutions and in SiB.

If there are no applicants in the two recording circuits, it can be taken in applicants from the municipality.

Admission of children is in the coordinated admission with the Bergen municipality.

At the main recording ¼ of the capacity is reserved for children of new students (students who have not been a student at an educational institution affiliated with SiB last year).

The following priority groups:

1. Children with disabilities related to § 13 of the Act relating to kindergartens. This must be documented with a written certificate from a doctor / psychologist, speech therapist, PPT and / or social medical institutions.
2. Children covered by § 4-4, second and fourth paragraphs, and 4.12 in the Act relating to child welfare services, this must be documented with the decision of child welfare services.
3. Children of parents who due to serious illness / disability and who receive rehabilitation funds, disability, basic benefits or decisions about vocational rehabilitation. This must be documented with the decision / confirmation from the NAV.
4. Children of single parents receiving the transitional benefit. This must be documented with a decision from the NAV.
5. Children of parents who receive benefits after the introduction Law on introduction scheme for newcomer immigrants or participating in emissions trading program by learning institutions. This must be documented with Docs written from MOKS or from the learning institution.
6. Siblings of students' children who already have placement.
7. Children of other students after the credits.
8. Children of students at educational institutions
9. Children of employees of the Student Welfare Organization in Bergen (SiB)
10. Children of employees of educational institutions
11. Children of other applicants from the municipality.

If you are looking for priority in relation to admission criteria, the relationship must be documented and not older than 3 months
